Our luxury caravans

Dream-A-Way are immensely proud of our beautiful fleet of holiday homes at Sandy Bay, Exmouth on the stunning South Devon Coast. Since we purchased our first unit in 1999 we have gradually increased our number until we now own 9 luxury caravans which have provided seaside holidays to an amazing total of over 10,000 guests, a magnificent milestone celebrated in 2016.

Every one of these local families have very special memories of their family seaside holiday which would not have been possible without the generous support of local people. Thank you all.

Who are we?

Dream-A-Way is a Charitable Incorporated Organisation dedicated to providing grants towards holidays and outings to local people, of all ages with any sort of disability or life affecting condition who reside within Devon.

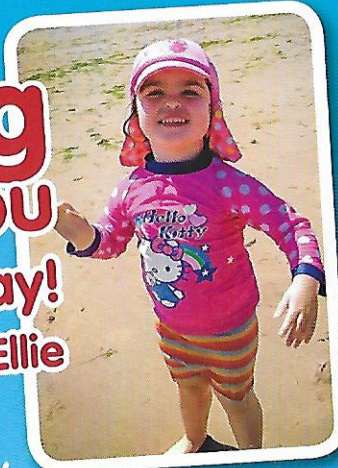

We are immensely proud that no one connected with **Dream-A-Way** receives any salary, expenses or honoraria at all enabling us to help even more special people like Ellie and her family.

What do we do?

Since our foundation in 1993 we have helped, literally, tens of thousands of people in many different ways. We have helped fund many theatre and attraction visits locally as well as outings and holidays much further afield. We have also provided grants to support Dream holidays throughout the UK, Europe and the rest of the world, making special memories which will be cherished for a lifetime.

A big Thank you Dream-A-Way! from Ellie

"To all the wonderful people at **Dream-A-Way**.

Our family really can't thank you enough from the bottom of our heart for the fantastic holiday we had at Sandy Bay in one of your luxurious caravans! Needless to say it was a holiday of many firsts, first time Ellie swam in the sea, first picnic on the beach, first time watching a live show and, most importantly, the first time we have felt like a "normal" family does enjoying quality time together. We didn't ever have to worry about how to keep Ellie entertained at all, she had a non stop ball!!

Thank you, thank you, thank you !! "

Jill and Peter enjoyed their first ever cruise and had a wonderful time - Jill said:

"This was the best holiday ever in my life, it felt like paradise, it was absolutely stunning, just completely beautiful from start to finish "She remembers many highlights, the amazing food, the excellent care and attention from the crew the stunning views and sights seen and an amazing journey in a wheelchair adapted water taxi were just a few. Jill said that "Peter felt like my husband again, not just my carer."

They have many lasting memories.

"When we feel down we just look at all our beautiful pictures and think of Dream-A-Way and remember our wonderful holiday. We really will be forever grateful."

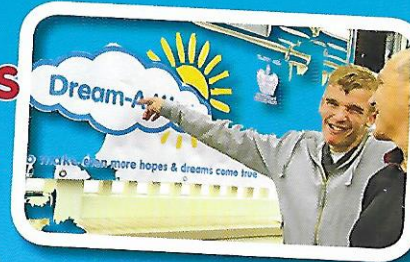

Memory making

Fundraising has always been varied, innovative, and above all a great deal of fun for all involved!

We have staged many events over the years including Golf Days, Gala Balls, Karting, Concerts, and Family Fun Days. All of which have been hugely enjoyable and boosted our fundraising enabling us to help youngsters like Jack and his family to take "time out" and enjoy a real family holiday.

Jack remembers

We all had a fantastic time enjoying eleven glorious days of sunshine in Portugal.

Jack openly expressed his excitement at just about everything. We all enjoyed the beach, the pool, the water parks and Jack's absolute favourite tuk tuks. The everlasting memory for Jack will be meeting his favourite character, Mr Bean, who we suspect will remember Jack just as much!

Memories to treasure for always with heartfelt thanks from all our family to Dream-A-Way.
