Come to Deane House Farm, Stokeinteignhead, and find out how Peter French runs his 280ha farm! Peter sells Pasture-reared beef (230 head), lamb, pork, chicken and eggs. He also grows wheat, barley, oats, oilseed rape and maize. He has worked closely with RSPB's Cath Jeffs on a Higher Level Stewardship agreement that finances the many ways that he helps wildlife on his farm and has applied for Countryside Stewardship this year to replace his expiring HLS.

Book a place by contacting Betina Winkler at [betinawinkler@hotmail.com](mailto:betinawinkler@hotmail.com).

Meet at Stokeinteignhead Village Hall at 1.30 pm. The farm walk will be followed by tea, cake and a chance to catch up with friends and neighbours back at the Hall.'
