

Remembrance Weekend Trail

Over the Remembrance weekend of 11th and 12th November there will be a trail on the path at the rear of the church that leads through that part of the churchyard that relates to 1914

The trail will comprise placards showing in what way many different people were affected by war and in some cases tells of some specific experiences.

It will finish at a newly formed raised bed where bulbs will be provided for those wishing to plant one in Remembrance.

All are welcomed to visit this display at some stage over the weekend. The intention is to make it available on Friday afternoon to enable parents and children to visit after school.

We hope this will provide an opportunity for all generations to remember the far reaching consequences of war.
