She hasn't been able to properly hand over the role to Cllr Matthews yet but hopes to soon. A resident had reported to the Clerk that the glass in the lamp is loose. Cllr Morris has inspected this. It is a piece of Perspex that is loose and is unable to fall out as it too is too big so is not a hazard but does need attention. Cllrs Gardner and Gordon offered to deal with it. **b)** Cllr Morris has spoken to the Head Teacher of Dunsford Academy about the problem of children accessing the grounds behind the Village Green. A letter has gone out to all parents asking them to not let their children climb over the fences. This now needs to be monitored. **c)** To address the points raised about the risk assessment, the Council agreed it would be good to fix the litter bins inside an enclosure. If this also has a roof, it would prevent rain getting into the bins which would make them easier to empty. The Clerk was asked to get quotes for this. **Action Clerk/Cllrs Morris/Matthews**
